Luo YaoYao, you're done for. We want to see your end!
Mr. Yu, it is her! She's the person who said that she is your girlfriend!

Fast, lift up your head. Your boyfriend is here.
Yu... Yu... Yu AoTian?!
He's... Berson Group's CEO?!

It is actually this little thing ...
Haha
BaoBei, how can you be here?
BaoBei？！

Mr.-Mr. Yu, didn't you say that you- didn't you say that you don't have a girlfriend?
Haha, I just feel a bit strange, that my girlfriend---
would join this kind of party!

BaoBei, how can you not dress up?
But you're right, you don't need to dress up for this kind of party.
This is...
My mom made this...

Oh? Isn't this one of my favorite things?
How could this be stained?
M-m-mr.Yu ... I'm sorry, it was my fault,
I'm sorry, I didn't know that it is one of your favorite things.

I actually liked that cross stitch. Am I right, YaoYao?
I beg you, YaoYao, please say some good words!
Pardon me, I don't feel well, I'll leave first!
LongQi, catch her quickly!
